

RU 2020 GRG Student's Profile

Anne Atieno Ochieng

Home University: Maseno University, Kenya

Program: MSc. in Animal Science (Animal Nutrition)

GRG Project: Capacity Building for Mitigation of GHG Emissions and Improved Ruminant Productivity through Efficient Feeding and Manure Management Strategies in Agro-Pastoral Systems

Research Focus: Effects of Spatio-temporal variation of forage availability and quality on the nutritional requirement of cattle in mobile livestock systems in Lower Nzoia Basin.

About me:

I enjoy travelling to new places and exploring cultural diversities because it gives me an opportunity to observe the environment. My interest is in providing solutions towards feeding strategies for sustainable cattle production

My favorite quote:

“Learn to light a candle in the darkest moments of someone’s life. Be the light that helps others see; it is what gives life its deepest significance.” ~Roy T. Bennett~
