## RU 2020 GRG Student's Profile

# Brenda Jepkemboi Kipkorir

**University:** Maseno University, Kenya

**Program:** MSc. in Environmental Sciences

**GRG Project:** Capacity Building for Mitigation of GHG Emissions and Improved Ruminant Productivity through Efficient Feeding and Manure Management Strategies in Agro-Pastoral Systems

**Research Focus:** Greenhouse Gas Emissions from Crop Residue Utilization and Manure Management Practices in Peri-urban Dairy Cattle Systems in Kisumu County, Kenya

**About me:**
I love going for adventures, traveling to new places and making new friends. I am passionate about the environment and my interest is on providing concrete solutions towards SMART agriculture to reduce the impacts of climate change and greenhouse gas emission.

**My favourite quote:**
"The size of your success is measured by the strength of your desire, the size of your dream, and how you handle disappointment along the way." —*Robert Kiyosaki*
